

## Third Party Website Consent

Dear Parent/Carer,

The use of web based educational resources has risen steadily over the last decade and is increasingly being used by teachers and schools across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third-party web based providers.

Belmont State School wishes to utilise the third-party web based service provider/s listed in this document to aid student learning. For your child to use the service the school needs to register them as a user. Registering with these providers requires some limited student information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted *onshore in Australia and/or outside of Australia*. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws. Registration may include disclosing the following information about your student: Student Name, Student ID, Age, Class Group, Class Teacher and Student Email.

We need to obtain your permission for the registration and use of these sites, which will contain your child's information.

*Please note: It is not compulsory for you to provide this consent – if you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school.*

Before you complete this consent form it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks below referring to each website's terms and conditions and/or privacy policy.

Please read the information provided attached and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student's information, please feel free to contact the school via email to [admin@belmontss.eq.edu.au](mailto:admin@belmontss.eq.edu.au) or telephone 3843 9333.

Due to the current COVID-19 crisis and the number of students absent from school please email back your consent rather than physically handing back a copy. If you choose not to give consent to the website listed, please ensure that is indicated and returned via email.

Yours in Education,  
Lisa Morrison

### List of third-party web based service providers used by Belmont State School

<b>Provider:</b>	Seesaw
<b>Type of Service:</b>	Seesaw is a platform for student engagement. Teachers can empower students to create, reflect, share, and collaborate. Students "show what they know" using photos, videos, drawings, text, PDFs, and links. It's simple to get student work in one place and share with families, and nothing is shared without teacher approval.
